

The Fifth Grade State Report 2014

Requirements and Guidelines for the Research Paper

on the State of _____

(Name of State)

This information packet belongs to: _____

(Student Name)

This project will require work in class as well as work outside of class.

1. Your report **MUST** be typed, *font size 12, double-spaced*.
2. Your report should be at least **2** pages in length. This does not include your title page, bibliography or your table of contents.
3. The final report **MUST** be put neatly in a three-prong folder.
...*no binders* please.
4. **Organization** of your report:
 - 1) It **MUST** include a Title page consisting of the following information: name of state, along with your other subtitles in the following format:
 - centered
 - boldface
 - uppercase and lowercase
 - 2) It **MUST** have a Table of Contents. This should be the second page of the report. Please reference the “State Report Checklist” on page 3.
 - 3) The content of the report begins on the page after the Table of Contents. It should be at least two pages in length.
 - 4) It **MUST** have a bibliography. You should have a minimum of 3 sources, 2 of them must be from books or encyclopedias, and

the others can be from the Internet. All books and websites used in the report **MUST** be listed in the bibliography. The authors' names must be listed in alphabetical order in the following fashion, for example, Last name, first name (Smith, Mary). Computer generated information must also be listed. List resources in categories of books, websites, etc. The bibliography should be the last page/s of the report.

5. ***Content*** of your report:

It **MUST** include information on the following subjects concerning your state. This will also help you with the outline.

- 1) Location, size and statehood- Insert a complete map as an illustration of your state with the capital city identified.
- 2) Land formations (geography)
- 3) Climate (temperature ranges, precipitation, etc...)
- 4) Important cities and population
- 5) Places to visit (tourist attractions)
- 6) Economy (natural resources, manufactured products, agricultural products, important industries)
- 7) Education (important colleges and universities)
- 8) History (important dates, people, etc.)
- 9) Other interesting facts- Insert two or more drawings of state symbols, such as flag, flower, birds, etc. The drawings don't have to be computer generated. I prefer to see your own work.

****If you prefer to save the originals for putting on your tri-fold presentation board, you may use the Xeroxed copies of the illustrations or drawings. ****

6. ***Presentation*** of your report:

- 1) Tri-fold board - You need to post the information of your state on a tri-fold board. The information should include maps, flags, pictures, diagrams, facts, etc. The tri-fold board will be displayed at the Open House.
- 2) At the Open House, be prepared to share the information with the visitors of your state (2-minute speech). You are encouraged to dress as someone who dresses or dressed in the past in your state.

- 3) In addition, you are encouraged to bring 1 physical item to display, for example, a license plate from your state (real or a replica drawing), a cowboy hat for Texas, or a potato for Idaho.

This is supposed to be a fun project. I want you to be as creative and imaginative as you can. Dive into this project with a fun attitude and you will have a great time learning about this wonderful state you have chosen to “show off!”
